Additional Notes

Christie is completely without identification. She intentionally left her phone, driver's license, credit cards, bank card, and insurance cards. Locations / Whereabouts

We believe that Christie is in the Upper West Side Area. She has allegedly been seen on streets spanning W 59th to W 100th. Christie was seen panhandling at W 80th and Amsterdam and again at Riverside Drive service road at 100th street in front of the Firefighters Monument. Christie may be eating at pizza places, bakeries, Chik Fil A, and other cheap eats. Christie was allegedly seen at Osteria Cotta at 513 Columbus Ave more than once. She may also be at soup kitchens to get food. Christie loves parks and water. She will likely be spending days &/or nights in Riverside Park and/or Central Park West. Best to check all churches and parks in UWS. Christie loves dogs, so she may spend afternoons in areas where dogs are walked.
